Poštovane kolege,

Pridružite nam se u Beogradu,
gde će 7 eminentnih stručnjaka
izlaganjima pokriti široki spektar

GERB i komplikacija GERB.

Razmenite iskustvo,

informacije i ideje sa kolegama.

Saznajte savremene stavove i protokole
- a to će Vam omogućiti da pacijentima
pružite najbolji mogući tretman!
